

# Creating Pathways

## for Professionals

Pathfinder Services of ND is a statewide nonprofit organization for families of children who have learning difficulties. We support families of children birth to age 26 by providing a variety of free resources to parents, youth and professionals. We would appreciate the opportunity to share our resources with you and your parents.

### What We Offer

**Webinars** – Pathfinder has developed a series of webinars for parents and educators that focus on the special education process implemented in ND schools. A description of these webinars can be found at: [http://psnd.co/index.php?option=com\\_k2&view=item&id=946&Itemid=172ts](http://psnd.co/index.php?option=com_k2&view=item&id=946&Itemid=172ts) . To compliment the key information from these webinars, Pathfinder has developed three Pocket Guides. These Guides contain tips and information on each of the topics discussed in the webinar series. The Pocket Guides are handy tools that can be used as a quick reference and easily fit into a person's pocket, folder or purse.

**Presentations** - Pathfinder staff would appreciate the opportunity to present the information available in the above mentioned webinars in an in-person format for your staff and/or parents. Please contact Pathfinder Services of ND if you would like to discuss possible options for in-person presentations. In addition to the content discussed in the special education webinars, we have developed a "Getting to Know Pathfinder Services of ND" presentation.

**Consultations** - Pathfinder provides confidential guidance from trained advisors to parent and professionals in a variety of topics such as: building positive home/school relationships; understanding the Individualized Education Program (IEP), Individualized Family Service Plan (IFSP), and 504 Plan components; and preparing youth for important life transitions.

**Booths** – We are available to provide a booth at school or community events in your area. Information provided at the booth include general information regarding Pathfinder Services of ND and resources appropriate for the audience attending the event.
